

ENDEAVOUR HOLDINGS LIMITED

Chairman's Report

Fellow shareholders, I am very pleased to report to you our most recent results for our six months ended 30 October 2022.

The numbers show marked improvement which management and the Board hope is a signal that the Company is on the path of recovery and growth. Our recent acquisition of Massy Properties (Trinidad) Limited, now called Endeavour POS Properties Limited ('Endeavour POS'), provided additional properties to our existing portfolio will also have a positive impact on our bottom line.

The post-acquisition Statement of Comprehensive Income and Statement of Financial Position of Endeavour POS have been consolidated into EHL's books as at 8 July 2022 and is reported in our financial statements.

EHL's Profit after tax increased by \$51.5M from \$10.9M in October 2021 to \$62.4M in October 2022. This includes a gain of \$43.8M which was recognised on the acquisition of the Investment in Endeavour POS. Operational profit excluding the acquisition gain is \$18.6M.

Revenue from contracts with customers increased by \$3.0M from \$39.8M as at October 2021 to \$42.8M as at October 2022 due to the inclusion of revenue from Endeavour POS.

Rental expenses decreased by \$7.0M from \$18.7M as at October 2021 to \$11.7M as at October 2022 primarily due to the reduction in the level of discounts of \$8.8M as at October 2021 and \$959K as at October 2022.

Administrative fees increased by \$2.8M from \$835K in October 2021 to \$3.6M in October 2022, because of increased management and legal fees combined with Endeavour POS's expenses. There was a marginal decrease in operating expenses by \$21K from \$255K in October 2021 to \$234K in 2022.

The Company's Corporation Tax rate, Business Levy and Green Fund Levy are at zero percent (0%) due to amendments under the Finance Act 2020 granted to listed SMEs and 30% for the subsidiary company.

The net profit of the newly acquired subsidiary for July to October 2022 was \$1.6M.

The increase in Investment Properties of \$106M as at July 2022 represents the Endeavour POS properties at \$90M, fair value adjustment made in the April 2022 year-end financials of \$12.2M and in addition to building improvements at Price Plaza.

Trade and Other Receivables fell by \$1M from October 2021 due to improved collections

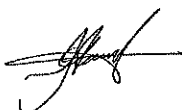

Trade and Other Payables increased by \$2.9M from October 2021, due to the inclusion of Endeavour POS's trade and other payables.

Borrowings increased by \$17.2M, this being the net result of principal repayments of \$28M and the related party loan of \$45M for the acquisition of Endeavour POS.

As a result of improved financial performance for the six months ended 31 October 2022, the Board of Directors approved an interim dividend of 40 cents per common share on 30 November 2022. This dividend is scheduled to be paid 16 December 2022.

In closing, your Board wishes to extend its gratitude for the confidence placed in it. We are optimistic that our company will deliver the type of results that our shareholders expect, barring no unforeseen circumstances.

Finally, we wish our shareholders and indeed all our stake holders and the country at large a happy and holy Christmas season.
